Puerto Penasco 1Mission Trip: Thursday, November 11 - Sunday, November 14

In this handout you will find some important information that you will need in order to make a decision about your involvement with this mission trip. I pray that you will step out in faith and answer the call of mission to our brothers and sisters to the south.

Who can come? Anyone! Individuals, families and friends, anyone who God is calling to help spread His love in a practical way. Children are recommended to be over the age of seven.

Who are we serving? We will be working with the organization 1Mission (<https://1mission.org>) to build a much needed home for an under/un resourced Mexican family that is in desperate need of adequate housing. The family is not just given a house, but helps to earn the house by learning new skills, assisting with other house building, and assisting with labor on their own house.

What are we doing? This is a 4 day/3night mission trip to the 1Mission Base Camp in Puerto Penasco, Mexico. Once there, we will make a short drive each day to the construction location where we will BUILD A PHASE OF A HOUSE!

When are we going? We will travel up to 1Mission compound on Thursday, November 11 (about a 4 hour drive). We will be briefed on Thursday at 5:00pm. We will work on the house Friday, Saturday and 1/2 day on Sunday. We will then pack up and return to Yuma Sunday afternoon.

What will it cost? \$310 per person for people above the age of 18. \$130 for children 12-17. Children 11 and under are free. Family Rate is \$875 (Includes 2 adults and children ages 12-17.)
